

Crafting Circle

First Church has a lot of crafty women! This circle will meet to share crafting interests; bring projects to show, and share crafting mission projects. The main focus of this circle will be the fellowship of the members. This will afford you time to just get away from your normal daily surroundings and work on your projects

with others, and also to get ideas for new projects. Presently, the group has decided to set aside Wednesday mornings from 10:00 am to 1:00 pm to meet in the Fellowship Hall (providing there isn't another need for the hall such as a funeral dinner, rummage sale, etc.). They will just skip meeting that week.

We are looking for someone now who might be interested in leading a group on doing scrap booking. If you are interested in this craft, please contact Kathleen Anthony at 724-845-7998.
