

Diners Club

This various-aged group gets together once a month on the 4th Thursday to go out to various local restaurants to enjoy each other's company and to dine together. The group used to be limited to "singles"; however, it has recently expanded to include anyone who enjoys an evening with friends... old, young, single, or married.

Our next gathering will be on Thursday, February 26th, and we will be dining at the Maple Tree Café on N. Warren Street in Apollo at 11:30am. And then the following month on Thursday, March 26th, we will be dining at King's Restaurant near the Hyde Park Plaza at 11:30 AM.

Please feel free to join us for companionship and fellowship.
